Good morning.

After reviewing our bids for the TSCA contaminated soils, Republic Industries is the apparent low bidder.

We should probably waive a few informalities:

- Low bidder emailed pricing and did not return our RFQ;
- Low bidder missed extension deadline by 5 hours;
- Low bidder obviously never read the bid specs due to the fact they had to be reminded to quote transportation as specified in the bid documents.

We will need their complete vendor package turned in and see if reps and certs are needed. Angela and Jan can work on that asap.

I'll prepare a draft profile and forward to Gary by COB tomorrow.

Any questions or comments, please advise.

Regards,

Don
